# The Scores Are In!

## RIIL Challenge Cup

The RIIL Challenge Cup recognizes excellence by schools in all sports, school spirit, and sportsmanship.

Congratulations to South Kingstown High School, Barrington High School and Mount St. Charles for winning in their respective divisions. These schools were honored at the annual Cox RI Sports Award Program on Monday, June 15th at the Providence Performing Arts Center. In addition, they will receive their special award at a school ceremony in the fall.

This is the first year of the Challenge Cup competition, and we would like to thank our schools for their cooperation and encouragement and hope to continue this program in the coming years.

# Mission Statement

The Mission of the Rhode Island Interscholastic League is to provide its member schools governance, leadership, and support for interscholastic athletics which give student-athletes opportunities to compete in an environment that stresses education, sportsmanship, integrity and safety.

## National Affiliation

### Mission Statement

The National Federation of State High School Associations serves its members, related professional organizations, and students by providing leadership for the administration of education-based interscholastic activities which support academic achievement, good citizenship and equitable opportunities.

### We believe:

- the NFHS is the recognized national authority on interscholastic activity programs.
- interscholastic activity programs enrich each student's educational experience.
- participation in education-based activity programs promotes student academic achievement.
- student participation in interscholastic activity programs is a privilege.
- interscholastic participation develops good citizenship and healthy lifestyles.
- interscholastic activity programs foster involvement of a diverse population.
- interscholastic activity programs promote positive school/community relations.
- the NFHS is the pre-eminent authority on competition rules for interscholastic activity programs.
- national competition rules promote fair play and minimize risks for student participants.
- cooperation among state associations advances their individual and collective well-being.
- properly trained administrators/coaches/directors promote the educational mission of the interscholastic experience.
- properly trained officials/judges enhance interscholastic competition.
