Prior to and during the game, jerseys shall be tucked into the shorts, unless manufactured to be worn outside.
2. Whenever a referee ejects a player from a soccer game, s/he shall immediately designate whether the ejection was for flagrant conduct, verbally or active, or a technical violation. S/he will then notify the coach at once. Anytime a player receives a red card; the League Office shall be notified. See Article 9, Section 4, paragraph B1(Reports from officials). If the ejection is for flagrant conduct, the player is automatically out of the next scheduled League game in accordance with Article 6, Section 6. If the fifth card happens to be the second yellow in a game, the player must sit out the next two consecutive League games.
2. A player must leave the field of play when a yellow card is issued (including the goalie), but for no specified amount of time.

Section 2. SCHEDULE/GAMES

The Director of Soccer shall make up the schedules and order of games. No school may make any change to the schedule. See Article 1, Section 17 (Home Confirmation Schedule).

- A. Regular RIIL soccer games shall be two equal periods of forty (40) minutes. The score at the completion of two periods of play shall stand as official with the following exception:
 1. Time shall be extended beyond the expiration of the normal period of either half to permit a penalty kick to be taken.
- B. The home school is responsible for providing adequate crowd control measures. There is a need for increasing vigilance in this matter. Schools must make every effort to insure that players, officials, and spectators are protected. Schools should take the following measures to secure a safe environment by:
 1. utilizing bleachers for fans to sit and watch the game(s) where space permits.
 2. providing a painted or roped off line - ten (10) feet minimum - beyond the touch and end lines behind which fans watch the game.
 3. making fans aware that transgressing this line or roped off area to view the game or interact with its participants physically or verbally in any way will constitute interference with play and could result in ejection from the venue in which the game takes place.
 4. providing an easily identifiable school supervisor who is preferably an administrator or athletic director. The school supervisor will introduce him/herself to the visiting coach and the referees and will assist in the supervision of the game both on and off the field of play before, during, and after the game.
 5. providing a police detail. (Such support is a mainstay of football, basketball and hockey games; the interest in soccer is no less than these sports).
 6. providing a separate scorekeeper in a designated area between both benches and midfield. See Section 1, paragraph B 12 this Article.
 7. providing two (2) clearly marked twenty (20) yard coaching boxes.
 8. requiring captains to attend annual rules interpretation meetings with their respective coaches.
 9. holding mandatory meetings before the first game of the season for all coaches, athletes and their parents/guardians to review the RIIL's policy on sportsmanship and fan behavior during RIIL sanctioned events.

Section 3. POSTPONEMENTS

The postponement rules contained in Article 4, unless otherwise stated, shall govern all postponed soccer matches.

- A. In the event a game must be suspended because of conditions which make it impossible to continue to play, the head referee shall declare it an official game if one complete half or more of the game has been played. If less than one-half of the game has been played, the game will be restarted from the suspension of play.
- B. Soccer games postponed because of weather conditions shall be played, weather and ground conditions permitting, on the following school day, or on the next fair weather school day.
- C. If a game is postponed for any reason other than inclement weather, it must be rescheduled, as soon as possible, to a definite date by mutual agreement of the opposing school's Principals and with the consent of the Director of Soccer. If a mutual agreement cannot be reached, the representatives of the schools involved must meet with the Director of Soccer to reschedule the contest(s).

Section 4. OFFICIALS

RUIL assigned officials shall have supervision of the playing field from the start of the game, unless otherwise designated, until it is finished. Two officials will be assigned for each game by the RUIL Office. The home team shall provide a minimum of two student linesmen for each game.

- A. It shall be the responsibility of the officials to see that benches are cleared of everyone except coaches, assistant coaches, managers, scorers, players, and a representative of the school and press.

Section 5. PLAYOFFS

The Championship Playoffs will be conducted under the direction of the Director(s) of Soccer under a format determined by the Director(s) of Soccer, approved by the Committee, and published with the RUIL Soccer Schedule.

- A. RUIL Championships will be determined by the team with the greatest number of points arrived at by crediting a school with two (2) points for a victory, one point for a tie, and no points for a loss. In case of a tie for first place, a co-championship will be declared. All division winners automatically qualify for the tournament and must be seeded by their percentage accordingly.
- B. State Championship Tournament games and all other games will consist of two (2) forty (40) minute halves.

1. In the event a “playoff game” must be suspended because of conditions which make it impossible to continue to play, the game will be rescheduled and restarted from the time of the suspension of play.

- 2. Extra Periods (Boys and Girls)
 - a. Teams that are tied at the end of regulation time will play two (2) 10-minute overtime periods.
 - b. After the first ten (10) minute period, the teams will switch goals and play a second ten (10) minute period. The second 10 minute period starts immediately after the first overtime period.
 - c. **Overtime periods are not “sudden death.”** In other words, even if a goal is scored, the period will continue for the full ten (10) minutes.
- 3. Penalty Kicks
 - a. If a game remains tied after twenty (20) minutes of overtime, the outcome will be determined by penalty kicks.
 - b. Only players on the field at the end of overtime may participate in this “shootout.”
 - c. A coin toss determines which goal will be used and which team will shoot first.
 - d. Five players are designated by each team to shoot in alternate order.
 - e. Each shooter takes one kick from the 12-yard line against the opposing keeper.
 - f. The shootout will end after five kicks, or fewer if one team builds an insurmountable lead, with the team scoring the most goals declared the winner
 - g. While the kicks are being taken each goalkeeper must stand in the end line corner of the penalty area and on the field unless they are defending the goal.
- 4. Additional Penalty Kicks
 - a. If the score is still tied after five shots per team, a second shootout phase will begin in which each set of kicks, one by each team, is taken until one team scores and one team misses as long as the same number of kicks have been taken by each team. Example: Team A takes kick #7 and scores. Team B takes kick #7 and does not score. Team A is declared the winner. If Team A had missed and Team B scored Team B would be declared the winner and no more kicks would be taken.
 - b. Each kick must be taken by a different player. If the shootout continues past eleven (11) kicks per team, the original order shall be repeated.
