Dear Friends,

As we begin our 82nd year, it is important that we as teachers, coaches, administrators, and parents all make a difference in the lives of our children, athletes, students, and all other people. The impact—whether negative or positive—many times is greater than we realize. We need to do our best to make that impact a positive one. As we know, the important thing in life is not about who we are or what we accomplish, but about the positive impact we have on others.

Educational based athletic programs in our schools give all of us the opportunity to have that positive impact on others. The challenge I present to you….as you get ready to start a new year, a new season, a new project, is to show all what you’re made of as you do your best to have a positive impact on all that you come in contact with.

Thomas A. Mezzanotte
Executive Director
Rhode Island Interscholastic League

As Chairman of the Principal’s Committee on Athletics (PCOA), I am proud to serve along with Vice-Chair Dr. Michael Sollitto and the other members of the committee representing the member schools and affiliated groups of the Rhode Island Interscholastic League (RIIL). The PCOA is the governing body of the RIIL and its members are committed to providing the students of Rhode Island with high quality interscholastic athletic competition, sportsmanship development activities as well as health and wellness programs.

The RIIL is committed to providing students with lessons and memories that will last a lifetime. The members of the PCOA always keep the student-athlete at the center of our decision making. We believe deeply that high school interscholastic athletics are “the purest form of sport.”

Under the guidance of the PCOA, the RIIL has grown into a vibrant and dynamic organization. RIIL Executive Director Mr. Thomas Mezzanotte, Assistant Director Mr. Michael Lunney and the talented office staff work diligently every day to ensure the success of the League. Along with Dr. Sollitto, Mr. Mezzanotte and Mr. Lunney, I welcome your feedback and input.

**Year In Review**

**COACHES EDUCATION**

In cooperation with the Rhode Island Department of Education, we have supported a comprehensive Certification process for all athletic coaches hired after January 1, 2012. This certification process which incorporates elements of the NFHS Coaches Ed program will help athletic coaches meet the significant challenges they face each day. This process which must be renewed every five years will include a combination of in-house and NFHS online courses approved by the RIIL. To assist we are organizing an annual conference for new and grandfathered coaches to fulfill their certification obligations. In addition, the conference will offer other coaches and athletic directors the opportunity to address numerous sport-related issues.

**UNIFIED SPORTS**

We have continued to build our relationship with Rhode Island Special Olympics and promote the development of the RIIL/SORI Unified Sports Program. To date there are 32 schools participating in Unified basketball and 17 schools participating in Unified Volleyball. In December, the RIIL and Special Olympics Project Unify sponsored a Youth Forum “Fuel the Passion”: Conference. This Conference brought students involved in Unified Sports together to discuss ways to promote inclusion and acceptance among all students in all schools.

“At the conference, students were fueled with knowledge to bring Project Unify to their schools. The entire bus ride home from the conference was a group of teenagers discussing how to promote Project Unified at Central Falls HS. Central Falls is one of the pioneer schools and each year the program grows with students wanting to get involved.”

Katie Gomes
Central Falls HS Unified Coach

“Unified Sports has opened up opportunities for our students with intellectual disabilities that were not available to them before: playing on a varsity team, acceptance by their peers, ‘superstar’ status in their schools and new found friendships. School climates have been transformed into socially inclusive, accepting environments with less bullying.”

Nancy Fitzgerald
Portsmouth HS Unified Coach
Project Unify School Coord., SORI

**STUDENT/TEAM RECOGNITION**

We have continued to implement the RIIL “Student Athlete of the Month” and “Team of the Week” Recognition Program. Outstanding Students and Amazing Team Accomplishments are recognized and publicized through the media. In addition “Students of the Month” are honored at an annual luncheon. The overall 2014 Male and Female Student Athletes of the Year were selected and each received a $1000 scholarship from our corporate sponsor – Burger King.

Also honored at the luncheon were four of this year’s RIIL Spirit of Sport selections: Jacob Martin, Mount St. Charles; Josie Chaves, Rogers High School; Natasha Shein, The Prout School; and Molly Giudice, The Prout School.

At the 2014 Hall of Fame banquet in May, Isaac Lufkin from Classical High School was recognized as the RIIL Spirit of Sport recipient as well as the Section 1 recipient of the NFHS National High School Spirit of Sport Award. Each of these student-athletes have not only overcome challenging circumstances they all embody the ideals of the positive spirit of sport.

“In January, the RIIL initiated a new business partnership with Burger King and Cumulus Media. Together a new program, the “Burger King High School Team of the Week”, was developed. Anyone could nominate a team for consideration and the votes poured in. Our unique marketing campaign includes shout out by the winning teams on 92PROFM, HOT1063, LiteRock105FM & 630WPRO. It was chosen nationwide as the “Best Client Focused Digital Solution” at the 2014 Radio Ink Digital Awards in Silicon Valley, CA.”

Services To Member Schools

The Rhode Island Interscholastic League is a service organization providing its member schools with publications, training opportunities, recognition programs, tournaments, rules interpretation meetings, and other services that assist in the administration of interscholastic sports.

**Athletic Rules and Regulations**, includes the by-laws and regulations for the RIIL.

**Communications**
The League posts on its website.

**Recognition**
The League sponsors the RIIL Hall of Fame for the most distinguished individuals involved in high school athletics.

**Revenue Share Plan**
The RIIL will share yearly profits it has accumulated and distribute these funds to schools.

**RIIL Foundation**
The RIIL Foundation was created to serve the interests of student-athletes by awarding grants in the areas of character education, sportsmanship and leadership.

**RIIL/NFHS Network**
The heart of the RIIL/NFHS Network primarily consists of the season-ending RII Sport Tournaments. The RIIL/NFHS Network has produced internet broadcasts for most sports during this past two years of operation.

While high school state associations like the RIIL provide an immense potential for content, there are nearly 20,000 member high schools coast-to-coast who now have the opportunity to broadcast their own school specific content. It is this local content through the School Broadcasting Program that gives the network its legs.

School sports are first, last and always about local teams and it’s not just about high-profile sports and varsity teams; it’s about just as much about lower-profile programs and events.

The success of the NFHS Network will not be “made for TV,” national tournaments or matchups between teams with the most highly regarded players. Our success will come from the aggregation of hundreds of typical local rivalries that are played all school year long in every nook of our State.

The NFHS Network School Broadcasting Program gives all of our schools and communities the opportunity to highlight our programs, our fans and our athletes. It is for all these reasons that I encourage every Rhode Island high school to become part of this great opportunity.

**Tournament Programs** provide tournament fans with information about the teams participating in each League-sponsored tournament/meet.

**Tournaments**
- The League supervises and administers state tournaments in 28 athletic events for its member schools.
- Assists the media outlets statewide in their coverage of high school sports.
- Provides accident insurance for every student, coach, and official that participates in a league-sponsored activity.

**Student Leadership Conferences**
The League sponsors numerous opportunities for student athletes to take part in an assortment of leadership and sportsmanship activities.

**Student-Athlete Wellness Program**
*The Performance Edge: Wellness for Winners* is a program designed to provide our student-athletes and coaches with a comprehensive wellness program that will support our high schools by embracing the health and wellness of all participants.

**Web Site** [www.riil.org](http://www.riil.org) keeps member schools and fans up to date on League activities, rules and events.
Sports Participation 2013-2014

Participation in Rhode Island high school sports has once again increased. According to the 2013-2014 High School Athletics Participation Survey conducted by the RIIL, the total number of teams and participants has increased from previous years. While boys participation figures dipped slightly, girls participation and Unified Sports participation has increased. Overall, there was an increase of 174 participants for 2013-2014.

**TRENDS:**

1. The fastest growing sports for both boys and girls continues to be Lacrosse.
2. The total number of girls teams and participants continues to grow.
3. The number of participants in boys cross country, lacrosse, and basketball showed moderate increases, while the numbers in boys tennis and ice hockey decreased.
4. Unified Sports continues to significantly grow in both the sports of basketball and volleyball. These are both co-ed sports.
5. The number of participants in high school sports in Rhode Island closely reflect the National participant trends.
